SCHB Member Special Support Survey

In our correspondence last week we mentioned a forthcoming SCHB Member Special Support Survey which is available [here](#). Please take a few minutes to fill it out so we can determine the needs of our members during this time of crisis due to COVID-19.

New Benefit for SCHB Members

Are you missing the opportunity to "discuss business" with your SCHB colleagues, due to the cancellation of the Philadelphia meeting? SCHB wants to keep its members engaged, in spite of the void left after Philadelphia.

SCHB will begin scheduling weekly conference call times for members to talk about whatever is on their mind. Just like you would have done in Philadelphia at the Expo Booth, Reception, or Coffee Break. If you have questions on coping with supply chain disruptions, working at home interruptions, disaster relief, or anything else on your mind, join other SCHB members and share your dilemmas, how you fixed your problems, ask others for opinions on what to do, etc.

In the upcoming weeks, SCHB can devote calls to specific topics, but for starters, it's open discussion and anything is on the table. SCHB also exploring video options (e.g., Go To Meeting, Zoom, WebEx) for future calls.

Join us for our inaugural call April 3, 2020 from 2pm-3pm EST. RSVP now as space is limited to the first 10 SCHB members who reserve their spots. Please use this [RSVP link](#).

Agenda:

2:00 pm Welcome and pleasantries (moderators: Joe Sabol and Adam Sussman)

2:05 pm Introduction (Where are you from?, What's on your mind?)

2:15 pm 10-15 min each on the highest priority items

2:55 am Wrap-up (notes posted on SCHB Group on ACS Network)

3:00 pm Conclude

The second session is tentatively scheduled for 11:00 am - 12:00 noon, Wednesday, April 8 (moderators TBA) and an eblast will be sent Monday morning. Already know you want to participate? Email pr@acs-schb.org to get on the early RSVP list.

If you have any questions about this or any other SCHB Member Benefit, please contact membership@acs-schb.org

Thanks for your consideration and for being a member of SCHB.
